Fun-Filled Fundraisers for the winter '09 months – Coordinators needed...

1. "Splash Party Fundraiser" was discussed. We still need someone to run the show. It is held at Holt Junior High School. \$100 non-refundable reservation fee and keep 100% of proceeds. Barb has received no response. Pam suggested we send the info to the class advisors at the High School to see if any of them would want to use it as a fundraiser. Of course the profits would go to the class and not to Parent Council.

2. McDonalds has a promotional fundraiser that Pam Campbell has had experience with. Barb will check with the local store to see if they would help us. Culvers, Fazolli's, and other restaurants will allow a certain amount of profits to go to school when people mention they are with LCS. It is usually on a certain night in the week.

4. Treasurer Report Treasurer, Steve Warner

Balance sheet was presented. Parent Council account shows a balance of \$2965.23.

The Market Day profits were summarized showing a net profit for the months September through December of \$3024.50.

A "Thank You" for the funding and update on newly installed E-Beam technology by Barb Floria. She expressed excitement and wonder at its uses in the classroom. She may request funding for another one for a different level next year.
