

LANSING CHRISTIAN SCHOOL

HANDBOOK 2010-11

Welcome to Lansing Christian School, home of the Pilgrims! We are glad to welcome you as a member of the LCS family. It is our hope that your association with the school will give you an opportunity to learn and share with other Christians from many backgrounds and denominations. Whether you are a returning student, or a new student to our school, our prayer is that God will use the year to help you grow in your knowledge of Him and His Word through Christ-centered education, so that you can serve God and others.

At LCS we believe that the Lordship of Jesus Christ is of primary importance. It is our intention that staff and students make Jesus Lord of their lives so that in all we do Jesus Christ will be glorified. Because all that we do is to bring glory to God, it is important that we seek excellence in all areas.

It is our hope that this handbook will provide information that will help students and parents better understand Lansing Christian and the expectations we have for our students.

We encourage you to become familiar with the contents of the handbook. As we all work together to live in harmony, we trust we will be recognized as a school of quality which is thoroughly Christian in our practices.

LANSING CHRISTIAN SCHOOL

MISSION STATEMENT

Recognizing God as the source of all truth, wisdom, and knowledge, Lansing Christian School partners with Christian parents to educate children to the full extent of their God-given abilities. We engage students in an academically challenging environment that fosters spiritual, intellectual, social, and physical growth. We equip students to exalt God and follow Christ in all of life.

STATEMENT OF FAITH

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We believe that there is one God; the source, support, and end of all things; eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ; in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful men, regeneration by the Holy Spirit is absolutely essential.
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
- We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is marked for salvation.

Acting on these beliefs, we seek to:

1. Encourage the spiritual growth of our students by:

- *Teaching the Bible as the Word of God and as a source of doctrine and guide for daily living.*
- *Encouraging each student to come into a personal relationship with Jesus Christ, to honor Him as Lord and Savior and seek to know and do the will of God.*
- *Encouraging the development of Godly character and a Spirit-controlled life, described in the Scriptures.*

2. Encourage the intellectual growth of our students by:

- *Assisting the students to recognize in every area of study the revelation of God in His creation and in the Holy Scriptures*
- *Providing a broad and versatile curriculum which will seek to develop each child's potential and will seek to provide thorough preparation for each student to succeed in college or other post high school endeavors, and to live effectively in the changing world of the 21st century.*
- *Stimulating creative and critical thinking in all areas of study.*
- *Promoting cultural development and esthetic appreciation in their lives.*

3. Encourage the social growth of our students by:

- *Encouraging an individual sense of personal worth as a special creation of God and a recipient of His love.*
- *Fostering the establishment of wholesome relationships through an acceptance of one another in Christian love, learning to understand and respect the views of others, and developing an appreciation of various heritages and cultures.*
- *Helping students recognize and assume responsibilities to their home, church, school, community, country, and world.*

4. Encourage the physical growth of students by:

- *Helping them to realize that their bodies are the temple of God.*
- *Emphasizing that a purpose of physical fitness is to bring glory to God.*
- *Promoting health, fitness, coordination, and skillful use of the body.*

1.1 - Academic Notice

An *e-mail or written academic notice* is sent to parents to notify them when their student is having some academic difficulty. A notice will be sent home (electronically or by mail) if a student begins averaging below a C in one of his or her classes. Parents are encouraged to regularly check Skyward, our on line grading program, to get information about their student's academic status in each class.

1.2 - Appointments to See Teachers

Parents or guardians are encouraged to contact any member of the teaching staff if they have a question or concern about their son's or daughter's progress. Teachers are often available immediately after school for this purpose. You may contact teachers by e-mail or by phone to set up a conference. Staff e-mails are located on the LCS website.

1.3 - Attendance Policy

Students are expected to be in school each day it is in session. One of the lessons to be learned at school is the importance of regular attendance. Each day, in each class, learning is taking place. These learning experiences can never be duplicated, and when a student is not in attendance, he/she is missing some aspect of his/her education. Extended absences are not recommended. There is learning that goes on in the classroom that cannot happen elsewhere. Extended absences may contribute to academic hardship on the student.

Parents or guardians have a responsibility for attendance and are encouraged to schedule medical and dental appointments outside of school hours if at all possible.

- Students checking in or out of school must sign in or out in the office and must have *written* parental approval.
- On the day of the appointment a *written note* from a parent should be presented to the classroom teacher at the beginning of the class hour, if the student must leave during class.

1.4 - Attendance Failure

Students are allowed up to **12 absences in one class per semester**. At the 13th absence, excused or unexcused, a student will not receive credit in that class for that semester. Extenuating circumstances may be considered through an appeal process, but this would be the exception rather than the norm. The appeal process includes a formal letter to the principal outlining the reasons for excessive absence from school and an appointment with the principal.

1.5 - Attendance Warning

When a student accumulates 7 absences in a class for a particular semester, a letter of warning will be sent to the parents. Each student's attendance record is available on their individual Skyward account.

1.6 – Reporting Absences

Notification of an illness, doctor's appointment, or emergency situation whereby a student must be absent from classes must be done by the student's parents. **Students may not excuse their own absences.**

- Except in the case of a pre-arranged absence, if a call is not made on the day of the student's absence, it will be considered unexcused and the student will receive discipline in keeping with the Disciplinary Action Chart at the end of this handbook. Calls to excuse absences may be made day or night to the attendance telephone, (517) 882-5779, *however it is requested that parents call by 8:30 a.m. on the morning of such an absence.*
- If a student needs to leave for an appointment during the school day, the student must bring in a note for the secondary office from the parent stating the time of early dismissal

1.7 - Pre-arranged Absence Forms

If a student is going to be absent for **2 or more days**, a pre-arranged absence form must be filled out and submitted to the office prior to the expected absences.

- **Make-up time for work missed during this absence will be one day for each day absent.** It is the student's responsibility to ask the teacher for assignments/instructions.
- Students are responsible for all missed work during the pre-arranged absence and are encouraged to access homework website during the extended absence from school.
- For early athletic dismissals students are responsible to check in with the teacher regarding any missed work.

1.8 - Unexcused Absences

A student will receive an unexcused absence for any of the reasons listed below:

- If the parent does not call the attendance line or e-mail on the day of the absence.
- If the student does not have authorization of a staff person.
- If the student arrives more than 15 minutes late to a class without parental permission or a pass.
- If the student fails to sign out in the office when leaving campus.

At the discretion of the teacher, a student may receive a failing grade for any work, tests or projects missed on the day of the unexcused absence. See the Discipline Action Chart for the consequences of an unexcused absence.

1.9 - Permission to Leave Campus

No student may leave the school building or campus during the day without parental permission. This includes the areas immediately surrounding the school property, such as the wooded areas, and even the school's parking lot. Students must sign out in the office and provide written permission from their parent before they leave the building.

1.10 – Tardies

Being on time is a significant life lesson for students. Tardies at work result in loss of jobs, tardiness at school results in detentions.

- In order for a student to be considered on time, he or she must be in his or her seat when the bell finishes ringing for class to begin.
- We realize there may be an occasion that a tardy may result due to unforeseen circumstances. This is the reason **each student is given three tardies per quarter (all classes combined) with no consequence.**
- The office may waive the tardy at the beginning of the day due to weather and/or traffic problems. Students detained by staff members are not considered tardy provided they have a signed pass from the teacher detaining them. See the Discipline Action Chart for a list of the consequences for tardy arrivals to class.

1.11- Make-up Privileges for Absences

Final Exams

- **Students who miss a final exam due to an *excused absence***, he/she will receive an incomplete in the course until the exam is completed. Students are expected to follow the incomplete policy (see “Incompletes”) for all missed work.
- **Students who miss a final exam due to an *unexcused absence*** will not be allowed to make it up and will receive a failing grade for the exam.

Tests: Students absent from tests are expected to make them up based on the following:

- When students are absent on a test day, they are expected to make up the test the day they return, unless they have authorization from the teacher to take the test at a later date.
- Make-up tests will be given at the discretion of the teacher before, during, or after school.

Class Work: Make-up time for class work and home work missed during an *excused absence* will be one day for each day absent.

- Due dates will not be adjusted for unexcused absences.
- Parents are discouraged from calling the school for assignments *unless students are absent two or more days*. Students are encouraged to access individual teacher homework websites for assignment information. Teachers can be contacted by e-mail at any time.
- If a student is ill for *more than two days*, the student or parents may contact the middle and high school office secretaries to request that homework assignments be obtained from the teachers, if the work is not available online.
- In all cases, it is the responsibility of the student to make arrangements with the teacher for make-up assignments, tests, or exams.

1.12 - Books and Related Materials

There will be no charge for the use of textbooks and related materials if they are returned in good condition. If they are not returned or are returned showing improper use, a charge will be made as determined by the teacher.

1.13 - External Credit and Dual Enrollment

A student must receive prior approval from the principal in order for correspondence courses or college courses to count toward LCS graduation requirements. A total of four credits may be earned externally toward the high school diploma.

Students who have sufficient credits to graduate may take credits at advanced institutions. However, to maintain their status at LCS, and to graduate, 80% of the tuition must be paid.

1.14 - Driver Education

Lansing Christian School does not offer Driver Education; it is an out-of-school program and no credit is granted for the class.

1.15 - Final Exams

High School semester exams are given at the discretion of each teacher at the end of first and second semester.

1.16 - Grade Placement

Grade placement of students is as follows:

<i>Grade</i>	<i>Must have accumulated</i>
<i>Sophomores</i>	<i>5 passing credits</i>
<i>Juniors</i>	<i>11 passing credits</i>
<i>Seniors</i>	<i>17 passing credits by the beginning of the year, 24 by the end of the year</i>

Under unusual circumstances, exceptions may be made by the principal. A conference with the student, parent and principal will be held to discuss the exception that is needed.

1.17 – Grades

- **Skyward (on-line grading)** is used for all grading at the secondary level. Quiz and test grades will be posted by teachers within one week after test/quiz date; major project grades and writing (report, essay, major paper) grades will be posted by teachers within two weeks after due date.
- Grade reports are available every nine weeks to parents to indicate student's progress.

- Only grades issued at the end of the semester will be placed on the student's transcript.
- In most subjects a letter grade is used. In some subjects or activities a credit is simply recorded on a pass/fail basis. When grades are reported, the following is used:

95-100	A	4.0
90-94	A-	3.66
87-89	B+	3.33
83-86	B	3.0

1.18 - Graduation Requirements

- A course that meets daily for two semesters is given one credit.

Section 99.30 of the FERPA Regulations, in part, states: “Except as provided in Section 99.31, an educational agency or institution shall obtain a signed and dated written consent of a parent or eligible student before it discloses personally identifiable information from the student’s education records.”

FERPA defines education records as: “Those records that are (1) directly related to a student and (2) maintained by an educational agency or institution or by a party acting for the agency or institution. Section 99.3.” The transfer of student records in Michigan is governed by the Revised School Code Section 1135 (MCL 380.1135) which requires that: “Within 14 days after enrolling a transfer student, the school shall request, in writing, directly from the student’s previous school, a copy of his or her record. Any school that compiles records for each student in

the school and that is requested to forward a copy of the transferring student's records to the new school shall comply within 30 days after receipt of the request unless the record has been tagged pursuant to Section 1134." (Section 1134 deals with records of missing students.) In the view of the Michigan Department of Education, the "school record" referred to in Section 1135 includes a student's disciplinary record, including any suspension or expulsion action against the student.

SCHOOL FACILITIES

All late afternoon, weekend, and evening meetings and activities must be approved. Facility Permit forms and guidelines are available in the main office.

3.3 – Library

The LCS Secondary Library is automated and well-equipped with a variety of materials including: fiction, non-fiction, and reference books, audio and video selections, current periodicals, as well as networked computers for on-line resource access and class assignments. **Students using the library and networked computers must strictly adhere to the school's computer policies.**

The library is available to both individual students and to classes working on projects. Students coming from a classroom must have an **individual pass** signed by their teacher. The pass should be placed on the check-out desk when entering the library, and must be signed by the librarian before returning to the classroom.

All materials must be checked out with the student's own Library/Lunch number. A student is not permitted to check out materials for another student. Books are checked out for a three-week period and may be renewed if another student does not need the item. An individual checking out a book is responsible for that book until it is scanned back into the automation system. If a student gives a book to another student and he/she does not return it, or returns it damaged, the responsibility is still with the student who checked out the book. Failure to check out books properly will have consequences as determined by the librarian and the administration.

Individual reports on overdue books are given to the student each week during homeroom. **At the end of first and second semesters, students will be required to take care of overdue materials before beginning exams.** Lost and damaged books must be paid for; the cost in every case is the price of replacing the book plus a \$5.00 processing fee.

- All illegal drugs including tobacco, alcohol are prohibited from school grounds and any school event. Suspension or expulsion will take place if a student disregards this rule.

4.6 – Bullying/Harassment Policy

In addition to the Discipline Policy, the school has additional specific policies and procedures regarding Bullying and Harassment.

Providing a safe school environment for our students is of utmost importance for Lansing Christian School. Harassment is a violation of the law as well as contrary to Christ-like behavior. To harass or intimidate another student or staff member based on gender, race, ethnic group, physical appearance or disability is not acceptable behavior nor tolerated at LCS. Any such harassment should be reported to a teacher, principal, or any staff member immediately. An investigation and appropriate consequences will follow. Documentation of the event and investigation must be submitted to the appropriate principal who will maintain an ongoing record.

Bullying is one particular form of harassment that endangers school safety and can take many forms. Some examples of bullying behavior include, but are not limited to: name calling in any situation, pushing or shoving others, teasing, making fun of clothing or appearance. Students who bully are subject to the harassment policy.

Proactive Measures:

1. Communication of the definition of bullying to parents, teachers, and staff.
2. Parents must be informed and involved with follow-up on every ongoing occurrence of bullying.
3. Our school will not tolerate bullying.
4. Consequences will occur if students are found bullying others.
5. Each level (elementary, middle and high school) will have a proactive plan for bullying that will be appropriate to the age levels of their students.
6. Parents are encouraged to dialogue with their children about not bullying classmates.

Procedures and Consequences for Discipline (Elementary and Secondary):

1. Talk with victim first.
2. Talk with those committing the act of bullying.

3. Document every occurrence of bullying.

4.7 – Disciplinary Process for Improper Behavior

Discipline at Lansing Christian has as its goal the modification of inappropriate behavior in the context of a Christian school community, with the ultimate goals being growth in social and emotional maturity and the ability to make responsible decisions.

Any activities or behaviors that undermine or distract from a positive spiritual climate, impede an optimal educational process, jeopardize the health or safety of any student, or are damaging to the reputation of the school will not be permitted whether or not such behavior is expressly outlined in the student handbook or Student Conduct commitment.

Disrespect, insubordination, dishonesty, vandalism, stealing, violence and offensive language are not acceptable behavior. All of these types of behaviors and activities will result in disciplinary action.

At the discretion of the administration, some student violations may result in immediate suspension, or permanent dismissal. In addition, at the discretion of the administration, some form of restitution may be required of the student.

***Students who are suspended, whether in-school suspended or at-home suspended, will not be allowed to participate in extra-curricular activities, including all athletic events, on days when they have been suspended.

ATHLETIC CODE OF CONDUCT

Introduction

It is a privilege for students to participate in Lansing Christian Athletics. Since the conduct of students reflects upon the entire school and Christian community, students engaged in LCS athletics are expected to act as model representatives of their school and abide by the provisions of the LCS Athletic Code of Conduct throughout the period of their participation in athletic activities. This Athletic Code is in agreement with Lansing Christian School philosophy and handbook.

5.1 – Academic Eligibility

In order to participate in athletic programs, a student must:

- Be enrolled as a full-time student.
- Pass all classes in each semester.
 - If a student fails to pass a class in a semester, he/she will be ineligible to participate the following semester.
- Have a satisfactory weekly report, which is determined by whether or not the athlete is passing all his/her classes.
- Each week the teachers will review all athletes' cumulative semester grades and assign a Warning (W) if a student has a D or D- in the class or an Ineligible (I) if a student is failing the class. Ineligibility can occur under any of the following circumstances:
 - A student receives an Ineligible (I) in any class.
 - A student receives a Warning (W) for three consecutive weeks in any class.
 - A student receives three or more Warnings (W) for three or more classes in one week.
- Ineligible students will not be able to participate in scrimmages or games for the next full week in school (next Monday through Sunday). At the discretion of the coach students will be required to attend games, practices and sit on the bench. Students will remain ineligible until they do not receive any I's or W's in a week.

5.2 – School attendance

A student athlete is expected to attend at least ½ day on the day of a contest or practice. If extenuating circumstances exist which prevent ½ day attendance, the Athletic Director, can, at his discretion, allow participation. The purpose of this section is to prevent student athletes from participating when they are ill.

5.3 – Practice attendance

Team members are expected to be present at all team practices, team meetings, games, awards ceremony, and special occasions unless excused by the head coach. Coaches have the authority to determine if an athlete has unexcused or excessive absences and to take appropriate action.

5.4 – Care of school equipment and facilities

Student athletes are responsible for all school equipment issued to them. The students or their parents must pay for lost, stolen, or damaged equipment before participation in athletic activities will be allowed. In addition, athletes should see that appropriate equipment is returned to the proper place. It is expected that students will take proper care of the facilities being used.

5.5 – Transportation to athletic contests

All team members will travel to contests by means of transportation provided or communicated by the Athletic Director. In many situations, parents may be required to provide transportation home from away contests. When bus transportation is provided, players may return home with parents with the proper form filled out and signed.

5.6 – Medical release

If a student athlete is seriously injured, he/she must have a written doctor's release before he/she can return to practice or compete in athletic contests.

5.7 – Physicals

Physical examinations are required by the MSHAA of all student athletes at Lansing Christian Secondary School **before** they may participate in sports. MSHAA physical forms are available in the Athletic Office. They may be used or attached to a card provided by the family physician. The form must be presented to the coach or Athletic Director **prior to pre-season practice**.

5.8 – Personal conduct

Participation on an athletic team at LCS is a privilege, and the participants must earn the right to represent LCS by conducting themselves in such a way that the image of the school is not tarnished. Any participant, whose conduct is judged to represent a discredit upon the athlete, the team, or the school, whether such activities take place during or after school hours, will receive disciplinary action as determined by the coach, the Athletic Director, and/or the school administration and as stated in the Student/Parent Handbook. Student athletes will not be allowed to practice or compete without a current physical on file.

5.9 – Technical foul and carding policy

Any player or coach receiving a technical foul or a red card will have a meeting with the Athletic Director the next school day.

5.10 – Use of substances

Using tobacco, alcohol, illegal drugs or steroids is prohibited 365 days/year. Once an Athlete participates in a sport (Freshman, JV, or Varsity) at Lansing Christian he/she is considered an Athlete for the remainder of their high school career and subject to all LCS Code of Conduct rules. All violations start at the point of the infraction and carry over into next season if

necessary.

Practice time will be determined by the Athletic Director.
- 2nd Violation = Suspended for 1 full calendar year from athletics.
- 3rd Violation = All Athletic Eligibility rights are taken away. Student may not participate in sports at LCS for their entire high school career.

The normal rule for student athletes quitting a team is that they make themselves ineligible for any sport during that season that has already begun. Also, he/she cannot participate in any preseason conditioning or practice for the next sport season until the end of the current sport season.

5.12 – Removal from the team

The removing of an athlete from a team may be made by the coach and/or the Athletic Director. The Athletic Director will confer with the coach before any removal action is taken. Causes for removal from the team include, but are not limited to the following:

5.13 – Safety

Every effort should be made to eliminate injuries. Players must obey all safety rules, report all physical problems to their coaches, follow a proper conditioning program, and inspect equipment they use.

5.14 – Grooming/dress

Appearance, expression, and actions always influence people's opinion of athletes, the team, and the school. Once a student has volunteered to be a member of the school team, the athlete must hold to high standards of cleanliness, modesty, and neatness. It is preferred that athletes dress up when attending both home and away games.
