## Lansing Christian School Pilgrim Walkway

Be a part of Lansing Christian School's history. We are offering you this opportunity to engrave your name in the "Pilgrim Walkway."

This is your opportunity to recognize all of those who have made Lansing Christian School what it is today. Buy a brick and place your name on the walkway or honor someone who has made a significant contribution to your Christian walk. Not only will their names remain in our hearts, they will also live on in our history.

This project benefits the facilities management and improvement fund.

Please print exactly as you would like the engraving to appear, specifying UPPER and lower case letters. Use one character/letter per box, leaving a box blank for each space between words.

Maximum characters per line is 14.

*(LCS reserves the right to refuse or edit engraving information to comply with the mission and vision statements of LCS.)*
