

Junior Pilgrims After School Care

The *Junior Pilgrims* after school program is available to LCS students in Kindergarten - 6th grade from 3 – 6 p.m. Child care is offered only on days school is in session. It is our commitment to provide quality care at a reasonable cost to parents. It is based on the understanding that each child is a unique creation with a special personality, interests, and needs. Each day children enrolled in this program will have the opportunity to play, relax, study, socialize, and do other special activities. Junior Pilgrims creates a smooth transition from the child's school day to home. We are striving to offer a high quality Christian-based program at a reasonable cost to parents. The after school program is directed by LCS parent and staff member Mrs. Leslie Haidamous. Your suggestions and support are very much appreciated!
