

Athletics

LANSING CHRISTIAN

Academic Eligibility

In order to participate in athletic programs, a student must:

1. Be enrolled as a full-time student.
2. Pass all classes in each semester.
If a student fails to pass a class in a semester, he/she will be ineligible to participate the following semester.
3. Have a satisfactory weekly report, which is determined by whether or not the athlete is passing all his/her classes. Each week the teachers will review all athletes' cumulative semester grades and assign a Warning (W) if a student has a D or D- in the class or an Ineligible (I) if a student is failing the class. Ineligibility can occur under any of the following circumstances:

A student receives an Ineligible (I) in any class.

A student receives a Warning (W) for three consecutive weeks in any class.

A student receives three or more Warnings (W) for three or more classes in one week.

Ineligible students will not be able to participate in scrimmages or games for the next full week in school (next Monday through Sunday). At the discretion of the coach students will be required to attend games, practices and sit on the bench. Students will remain ineligible until they do not receive any I's or W's in a week.

Use of Substances

Using tobacco, alcohol, illegal drugs or steroids is prohibited 365 days/year. Once an Athlete participates in a sport (Freshman, JV, or Varsity) at Lansing Christian he/she is considered an Athlete for the remainder of their high school career and subject to all LCS Code of Conduct rules. All violations start at point of the infraction and carry over into next season if necessary.

1st Violation = Suspended for 1/3 of the season (1/3 of scheduled games)

Practice time will be determined by the Athletic Director.

2nd Violation = Suspended for 1 full calendar year from athletics.

3rd Violation = All Athletic Eligibility rights are taken away. Student may not participate in any athletics at LCS for entire High School career.

Grooming/Dress

Appearance, expression, and actions always influence people's opinion of athletes, the team, and the school. Once a student has volunteered to be a member of the school team, the athlete must hold to high standards of cleanliness, modesty, and neatness. It is preferred that athletes dress up when attending both home and away games.

I have read the above policies, and I understand the consequences as they apply to student athletes at Lansing Christian.
