ELEMENTARY

Seniors welcome students back to school!

Mrs. Floria spoke to all the elementary classrooms on the first day of school about the gift of time. Each child was challenged to spend time thinking about other students and how they can be a blessing to them. Did you know that there are almost 76,000 minutes in a school year? That's a lot of time for each child to smile at others, be an encourager, and think of kind things to say.

The Elementary Parent Night is on September 21st. We'll meet in the commons at 6:45 and then proceed to the classrooms to hear important information from the teachers.

Please send in your emergency form if you haven't done that yet. It is our link to you in case of an emergency.
