

LANSING CHRISTIAN SCHOOL

Dear Lansing Christian families,

It is a privilege to celebrate the birth of the Savior of the world throughout our Prek-12 school during this Advent season!

Last evening, kindergarten through third grade students sang carols and recited scripture about the birth of Jesus in English and in Spanish. At the end of the concert students proclaimed the words, "Joy to the world" in eight different languages. *The important message our students are learning is that God loves the world and He sent His son, Jesus, to be the Savior for all people. God calls us to love the world too. And He calls us to extend His love to all people.*

I am grateful that Lansing Christian School is a place where Jesus is Lord, and where the idea of loving our neighbor is important to everything we do as a learning community. May the anticipation of the birth of Christ fill your homes with peace and joy this Advent Season.

With joy,

Wendy Hofman
Head of School
