## HIGH SCHOOL ANNOUNCEMENTS

The LCS Biology classes are once again hosting the water project to raise money to donate to World Vision to get clean water to those in need around the world. **YOU CAN HELP!** Donate to the water jug in your home-room (MS)/advising room (HS) and purchase items before school and at lunch from now until 3pm on 12/18. The MS homeroom and the HS advising class that raise the most money will each receive Groovy Donuts after break! More info on baked goods, coffee/cocoa, t-shirts/sweatshirts, and other sale items will be sent to your email - be on the lookout! Thanks in advance for helping us make a difference!

THANK-YOU to Annie Wernet, Ava Mustapha, and Mrs. Dykstra for adding their artistic talents to the vision of Mrs. Bytwerk's Christmas bulletin board outside of the secondary office. It looks beautiful!
