

LANSING CHRISTIAN
SCHOOL

Give the gift of a **STRONG START.**

There's a lot to be said about new beginnings, such as preschool. As a parent, you're excited, but you have a lot of questions. Things like, "Will my child be safe?" "Will they have teachers who will know my child and love on them?" "Will they have a great experience?" can run through your mind as you consider school options. Ultimately, you want...

An environment that **instills God's love** in every part of learning.
A place where teachers take the time to get to **fully know your child**.
An atmosphere that **nurtures** your child's growing mind.

At Lansing Christian School, we want the same things.

As a school that strives to equip students to engage and transform the world for Jesus Christ, our goal is to empower the youngest learners to grow and discover life through God's eyes — one small step at a time. Learn more about how your child can thrive in our Early Learners Preschool program.

NURTURED TO THEIR FULL POTENTIAL

Faith Integration

God's Word is woven into every part of learning at LCS. Your child will learn about **biblical truth**, whether during a science lesson, where they talk about ocean life and the uniqueness of God's creation, or understanding the values of patience and self-control when waiting for their turn during work and play.

Play-Based Learning

Here at LCS, we believe that play is the work of children. This is why we work hard to make our classes **engaging** and **developmentally appropriate** for every student. Our preschoolers explore various learning centers, such as cutting and pasting the letter "A" while practicing handwriting, and they get to move to another station to develop fine motor skills by shaping Play-Doh or engage in imaginative play by setting up a pretend ice cream shop. We make learning fun!

Nurturing Teachers

Your child will experience **genuine care** from highly qualified teachers who reflect the love of Jesus Christ. In their day-to-day interactions, teachers make sure that students are immersed in an **emotionally safe** environment where their thoughts matter, and it's okay to make mistakes... because it's part of learning and life. In addition, our teachers consistently foster open communication with parents.

Outdoor Education

Something unique about our preschool program is that we emphasize a multisensory approach to education. Your child will engage in **different activities** and field trips outdoors, such as growing vegetables in our greenhouse, planting seeds in our pumpkin patch, visiting an apple orchard, hatching chicken eggs, or observing animals. These outdoor education projects help young minds integrate **real-life scenarios** into their learning.

Preschool Program Details

Our flexible preschool program includes a variety of scheduling options to fit the needs of your family and your preschooler. We offer a half-day option for Pre-K 3 and both half-day/full-day options at the PreK-4 level. Here, your child can experience the joy and excitement of learning in a school setting as they explore, create, and discover through classroom activities and peer interactions.

A Licensed Preschool

LCS' EARLY LEARNERS PRESCHOOL

is also a licensed program, which means that we strictly adhere to Michigan's early childhood childcare and preschool state standards.

DISCOVER A PLACE TO THRIVE

SCHEDULE A PERSONAL TOUR AT LCS.

During your tour, you'll get to see our:

- Beautiful 66-acre property
- Nature trails, outdoor learning spaces, and pavilion
- Amphitheater
- Classrooms
- Gymnasiums
- Athletic fields
- Art room
- Commons space
- Media Center, and more!

Parent Preschool Visit Days

Aside from personal tours, families can also participate in Parent Preschool Visit Days. It's an opportunity to meet other parents, our teachers, and explore the learning spaces at LCS. [Learn more.](#)

How to Apply

- 1 SCHEDULE A TOUR** Planning a visit to our campus is the best way to fully envision your child's experience at LCS. [Schedule a tour here.](#)
- 2 SUBMIT AN APPLICATION** You'll find the application on the [Admissions](#) page of our website. After all application materials are submitted, a meeting will be scheduled for your educational consultation.
- 3 COMPLETE YOUR ENROLLMENT** Once notified of your official acceptance, you may submit your online enrollment contract and deposit toward tuition to reserve your child's spot at LCS. A parent ambassador from your child's class will contact you to help get your family plugged into the community.

"We love how LCS fosters a tight-knit community of families from many backgrounds. LCS offers such a loving environment and teaches values that align with our own at home. We also appreciate how LCS encourages open communication channels between staff, students, and parents. The staff is professional, supportive, and loving. Our preschooler is thriving at LCS! He is always eager to get to school to see friends and teachers, and is learning so much beyond just letters and numbers."

— Chelsea, Preschool Parent
