### **News**

We come to the end of another school year. The Food Service Department would like to send out a heartfelt Thank-You to Administration, Teachers, Students, Parents, and other LCS Staff, for all your support this past school year. We get so much joy doing our best in providing hot lunch to all that we serve. Our students bring a smile to my staff when a student tells us they just had their most favorite meal ever. It truly validates our planning and preparation each and every day.

The serving area will be open on June 5<sup>th</sup> for snacks and beverages as end service for the summer. We hope to see everyone next year.

Have a wonderful summer and be safe.

Mr. GARY, Miss Patty, Miss Rebeca, Miss Angie, Miss Julie, Miss Linda, and Miss Pam.
