### **News**

Welcome Back Students, Teachers, Administration and Parents.

Our Daily Lunch Menu features all the food components as recommended by the USDA and the Mich. Dept. of Education. Students will be asked to order a complete meal each morning in their classrooms.

They meals will change each day to offer a variety of choices. In addition, we will offer Entrée substitutions that the student may select instead of the main entrée: Corndog, PBJ, Hamburger, Chicken Noodle Soup, Chef Salad, Chicken Caesar Salad, Pepperoni Bosco Sticks, Hot Dog.

If you have any Questions or suggestions, please feel free to contact the Food Service Department.

The menu is subject to change without notice.
