This special meal is **sponsored by the LCS Development Department** in appreciation of our students' participation. Students who would like to take part in the pizza party will **order their pizza slice on Thursday morning**. There is **no cost** for this meal. Gluten free pizza will be an option for those with dietary restrictions.

Thanksgiving Meal

On Wednesday, November 19, we will be serving a **traditional Thanksgiving meal**. Students will **sign up in their classrooms on Wednesday, November 12**, to help the Food Service Department plan and prepare accordingly for this special event. Please indicate if your child needs a gluten free meal.
