

LCS Pilgrim Scholarship

2026-2027

The Lansing Christian School **Pilgrim Scholarship** allows current LCS students that will be in Grades 1-12 to apply annually for a scholarship based on their qualities, abilities, activities and their family's financial situation.

The scholarship committee will be looking at evidence of the student having positive leadership and contributions in the classroom, school, church and community and showing compassion for others. The committee will also be looking for the student to demonstrate positive relationships with teachers and other fellow students.

If a student is applying for a Pilgrim Scholarship, their family should apply for Tuition Assistance no later than **March 2, 2026** in order to qualify for the maximum scholarship available to them under the Pilgrim Scholarship program.

Students applying for this scholarship **must**:

- Complete the application including the short essay section. Younger elementary students may have parent's assistance, but the students are encouraged to write the essay. *Parents should not write essays.* The essay should be in the student's words.
